

Dental & Pharmacy Sales and Acquisitions

Whether you're looking to buy your first dental practice or sell an established one, Silverdale Solicitors provides expert legal support throughout the entire transaction. We handle every legal and regulatory aspect, including NHS contract transfers (GDS/PDS), CQC registration, associate agreements, lease negotiations, TUPE obligations, and due diligence. Our team works closely with all parties - including agents, lenders, and landlords - to ensure a smooth and efficient process.

We understand the unique pressures of the dental sector and offer tailored advice to both buyers and sellers. Our goal is to protect your interests, minimise disruption to staff and patients, and deliver a transaction that reflects the true value of your business.

Buying or selling a dental practice? Speak to our specialist dental law team today for expert guidance and a smooth, stress-free process.

Silverdale Solicitors offers trusted legal expertise for the sale and purchase of pharmacies across the UK. Whether you're acquiring a community pharmacy or selling as part of a retirement or restructuring plan, we manage the process end-to-end. This includes handling the assignment of NHS contracts, GPhC compliance, Market Entry applications, TUPE matters, stock and goodwill arrangements, leasehold or freehold property transfers, and full due diligence.

We work with both independent pharmacists and corporate groups to ensure transactions complete efficiently, on time, and in full compliance with healthcare regulations. Our commercial insight and sector experience ensure you receive strategic advice every step of the way.
